**SUPPLEMENTARY INFORMATION:**

On July 5, 2012, the Architectural and Transportation Barriers Compliance Board (Access Board) established an advisory committee to make recommendations to the Board on matters associated with comments received and responses to questions included in a previously published NPRM on Medical Diagnostic Equipment Accessibility Standards. See 77 FR 6916 (February 9, 2012). The NPRM and information related to the

proposed standards are available on the Access Board's website at: <http://www.access-board.gov/medical-equipment.htm>.

The advisory committee will hold its seventh meeting on June 17, 2013. The agenda includes the following:

- review of previous committee work;
- review and discussion the committee's final report; and
- discussion of administrative issues.

The preliminary meeting agenda, along with information about the committee, is available at the Access Board's website (<http://www.access-board.gov/medical-equipment.htm>).

Committee meetings are open to the public and interested persons can attend the teleconference and communicate their views. Members of the public will have opportunities to address the committee on issues of interest to them during a public comment period.

The meeting will be accessible to persons with disabilities. Communication Access Realtime Translation (CART) will be provided via a web link. Also, persons wishing to provide handouts or other written information to the committee are requested

to provide electronic formats to Rex Pace via e-mail prior to the meetings so that alternate formats can be distributed to committee members.
